Senior Class History

We boarded the ship P.H.S. in the fall of 1956 and began our first voyage as Freshmen. Our captains were Miss Kraemer and Mr. Wood. The forty-seven of us officially got our sea legs after our initiation, which lasted two days. We kept on course and soon arrived at Homecoming Island where a member of our crew, Gretchen Johnson, became attendant to the Queen. We then arrived at port and had a picnic at the Country Club and dropped anchor to give the members and captains of the ship a rest.

In the fall of 1957, the crew again boarded the P.H.S. with a crew of forty-five. Miss Kraemer and Miss Hamilton signed on as captains of the good ship. Homecoming Island again rolled around with Jane Spatz being our crew's attendant to the Queen. Some members of the crew, Gretchen Johnson, Zelda Johnson, Delores Loney, Elizabeth McMahon, Ann Seabury, Jane Spatz, Elsie Downs, Shirley Shoemaker, Connie Weber, Marlene Weber, Mary Christensen, Ellen Krause, Bill George, Jerry Bradley, Jim Hill, Ronnie Johnson, Larry Schaefer, Paul Brodhagen, Roger Bailey, Doug Cox, Marvin Ordway, Keith Saathoff, Raymond Hayes, and Gary Miller, stopped long enough to take a "Hawaiian Cruise" at the Junior-Senior Banquet. We again dropped anchor after two years of service on the P.H.S.

In the fall of 1958, our voyage began with a crew of forty-five. Captains signed on for the voyage this year were: Miss M. Hansen, Mr. Steinkruger, Miss Kraemer, and Mr. Scott. This year Elizabeth McMahon was our attendant to the Queen. During the trip sixteen of our shipmates spent a day on Pierce Island for County Government Day. The class spent one night presenting "Magic Tough", the Junior Class Play. We then steered off course long enough to have a show called "Mississippi Traveler". In December the crew found a sunken treasure of forty-five class rings. At longitude 97 10/4 and latitude 42 10/2, we had a Junior-Senior Banquet called, "With a Song in My Heart" and danced to Don Shaw and his band. Representing our ship at Girls' State was Elizabeth McMahon, and at Boys' State was Donald Kieckhafer. We then headed back to port to drop anchor with three-fourths of our journey done.

On August 31, 1959, we started on our last lap of the voyage with a crew of forty-four. Captains signing on this year were: Mr. James Withee, Miss M. Hansen, Mr. Steinkruger, and Miss Kraemer. We celebrated our last Homecoming with Shirley Shoemaker and Doug Cox reigning as King and Queen. King and Queen of Hearts were Elizabeth McMahon and Larry Schaefer. A happy event occurred when we got our pictures. We stopped in port for repairs and gave a play entitled "A Night for Shudders". All hands were on deck for Slouch Day, April 20. On May 10, "Class Night", the crew gave an outstanding performance before the public.

Baccalaureate was May 15, and on May 17, we were given our discharge papers (Diplomas). The ship P.H.S. then dropped anchor in port after a successful journey.
